## INDEPENDENT AUDITOR'S REPORT

To the Members of Ivalue Infosolutions Limited (formerly known as Ivalue Infosolutions Private Limited)

### Report on the Audit of the Consolidated Financial Statements

#### Opinion

1. We have audited the accompanying consolidated financial statements of Ivalue Infosolutions Limited (formerly known as Ivalue Infosolutions Private Limited) (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), (refer Note 62 to the attached consolidated financial statements), which comprise the consolidated Balance Sheet as at March 31, 2024, and the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, material accounting policy information and other explanatory information (hereinafter referred to as "the consolidated financial statements") in which are included the returns for the year ended on that date audited by the branch auditor of the Company's branch located at Singapore.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2024, and consolidated total comprehensive income (comprising of profit and other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

#### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 13 and 15 of the Other Matters section below, other than the unaudited financial information as certified by the management and referred to in sub-paragraph 14 of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion.

## INDEPENDENT AUDITOR'S REPORT

To the Members of Ivalue Infosolutions Limited (formerly known as Ivalue Infosolutions Private Limited)  
Report on the Consolidated Financial Statements

Page 2 of 8

### Emphasis of Matter

4. We draw attention to Note 2a to the consolidated financial statements regarding the Group's reassessment and consequent revision in its accounting policy for recognition of revenue from software and allied support services for customer contracts. The Group had previously assessed that it was acting as a principal for software and allied support services and now revised its assessment and concluded that it is acting as an agent, considering the principles of Ind AS 115 "Revenue from contract with customers" and the additional guidance/clarifications issued by global standard setters/ regulators which are also relevant for interpretation of Ind AS.

Our opinion is not modified with respect to this matter.

### Other Information

5. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and the reports of the other auditors as furnished to us (Refer paragraph 13 and 15 below), we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

6. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, and changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

## INDEPENDENT AUDITOR'S REPORT

To the Members of Ivalue Infosolutions Limited (formerly known as Ivalue Infosolutions Private Limited)  
Report on the Consolidated Financial Statements

Page 3 of 8

7. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
8. The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

## INDEPENDENT AUDITOR'S REPORT

To the Members of Ivalue Infosolutions Limited (formerly known as Ivalue Infosolutions Private Limited)  
Report on the Consolidated Financial Statements

Page 4 of 8

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
  - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
11. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
  12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Other Matters

13. We did not audit the consolidated financial statements of 1 subsidiary (along with its step-down subsidiary) whose financial statements reflect total assets of Rs. 836 lakhs and net liability of Rs. 482 lakhs as at March 31, 2024, total revenue of Rs. 2,011 lakhs, total comprehensive loss (comprising of loss and other comprehensive income) of Rs. 157 lakhs and net cash outflows amounting to Rs. 1.3 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditor whose report have been furnished to us by the Management, and our opinion on the consolidated financial statements insofar as it relates to the amounts and disclosures included in respect of the subsidiary and our report in terms of sub-section (3) of Section 143 of the Act including report on Other Information insofar as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditor.
14. We did not audit the financial information of 2 branches and 2 subsidiaries located outside India included in the consolidated financial statements of the Company, which constitute total assets of Rs. 670 lakhs and net assets of Rs. 430 lakhs as at March 31, 2024, total revenue of Rs. 282 lakhs, total comprehensive loss (comprising of loss and other comprehensive income) of Rs. 41 lakhs and net cash inflows amounting to Rs. 4 lakhs for the year then ended. The unaudited financial information in respect of these branches have been provided to us by the management, and our opinion on the consolidated financial statements of the Company in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on such unaudited financial information furnished to us. In our opinion and according to the information and explanations given to us by the Management, these financial information are not material to the Group.

## INDEPENDENT AUDITOR'S REPORT

To the Members of Ivalue Infosolutions Limited (formerly known as Ivalue Infosolutions Private Limited)  
Report on the Consolidated Financial Statements

Page 5 of 8

15. The financial statements of 1 subsidiary and 1 branch, located outside India, included in the Consolidated financial statements, which constitute total assets of Rs. 11,699 lakhs and net assets of Rs. 2,049 lakhs as at March 31, 2024, total revenue of Rs. 4,693 lakhs, total comprehensive income (comprising of profit and other comprehensive income) of Rs. 579 lakhs and net cash outflow amounting to Rs. 792 lakhs for the year then ended, have been prepared in accordance with accounting principles generally accepted in its country and have been audited by other auditor under generally accepted auditing standards applicable in its country. **The Company's management** has converted the financial statements of the subsidiary and branch, **located outside India from the accounting principles generally accepted in its country to the accounting principles generally accepted in India.** We have audited these conversion adjustments, **if any, made by the Company's management.** Our opinion in so far as it relates to the balances and disclosures of such branch and subsidiary located outside India including other information is based on the report of other auditor and the conversion adjustments, if any, prepared by the management of the Company and audited by us.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor and the financial statements certified by the management.

### Report on Other Legal and Regulatory Requirements

16. As required by paragraph 3(xxi) of the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we report that there are no qualifications or adverse remarks included by the respective auditors in their CARO 2020 reports issued in respect of the standalone financial statements of the companies which are included in these Consolidated Financial Statements.
17. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
  - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors, except for matters stated in paragraph 17 (i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).
  - (c) The reports on the accounts of the branch office of the Company audited under Section 143(8) of the Act by branch auditor have been sent to us and have been properly dealt with by us in preparing this report.
  - (d) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other **comprehensive income**), **the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated financial statements.**
  - (e) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.

## INDEPENDENT AUDITOR'S REPORT

To the Members of Ivalue Infosolutions Limited (formerly known as Ivalue Infosolutions Private Limited)  
Report on the Consolidated Financial Statements

Page 6 of 8

- (f) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2024 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditor of its subsidiary company incorporated in India, none of the directors of the Group Companies, incorporated in India is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- (g) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 17(b) above on reporting under Section 143(3)(b) and paragraph 17(i)(vi) below on reporting under Rule 11(g) of the Rules.
- (h) With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure A.
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact, if any, of pending litigations on the consolidated financial position of the Group. Refer Note 34 to the consolidated financial statements.
  - ii. The Group did not have any long-term contracts including derivative contracts as at March 31, 2024 for which there were any material foreseeable losses.
  - iii. During the year ended March 31, 2024, there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary company incorporated in India.
  - iv. (a) The respective Managements of the Company and its subsidiary which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditor of such subsidiary respectively that, to the best of their knowledge and belief, as disclosed in Note 46 to the consolidated financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or such subsidiary to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or such subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

## INDEPENDENT AUDITOR'S REPORT

To the Members of Ivalue Infosolutions Limited (formerly known as Ivalue Infosolutions Private Limited)  
Report on the Consolidated Financial Statements

Page 7 of 8

- (b) The respective Managements of the **Company and its** subsidiary which are companies incorporated in India whose **financial statements** have been audited under the Act have represented to us and the other auditors of such subsidiary respectively that, to the best of their knowledge and belief, as disclosed in the Note 46 to the consolidated financials statements, no funds (which are material either individually or in the aggregate) have been received by the Company or such subsidiary from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or such subsidiary shall, directly or indirectly, lend or invest in other person(s) or entity(ies) identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures, that has been considered reasonable and appropriate in the circumstances, performed by us and those performed by the auditors of the subsidiary which is a company incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.
- v. The Holding Company and its subsidiary company has not declared or paid any dividend during the year.
- vi. Based on our examination, which included test checks, the Holding Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software, except that the audit trail is not maintained in case of modification by certain users with specific access and the audit trail is not maintained for direct database changes. During the course of performing our procedures, other than the aforesaid instances of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with.

Further, the Holding Company has also used an accounting software, which is operated by a third party service provider for maintaining its books of account and in the absence of the independent service auditor's report, we are unable to comment on whether the audit trail feature of the aforesaid software was enabled and operated throughout the year for all relevant transactions recorded in the software or whether there were any instances of the audit trail feature being tampered with.

The following remark was included in the audit report dated July 31, 2024, containing an unmodified audit opinion on the consolidated financial statements of ASPL Info Services Private Limited, a subsidiary of the Holding Company issued by an independent firm of Chartered Accountants, which is reproduced as under:

"Pursuant to Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility, based on our examination, the accounting software used by the Group for maintaining its books of account did not have the audit trail feature enabled throughout the year"

## Annexure A to Independent Auditor's Report

Referred to in paragraph 17(h) of the Independent Auditor's Report of even date to the members of Ivalue Infosolutions Limited (formerly known as Ivalue Infosolutions Private Limited) on the consolidated financial statements for the year ended March 31, 2024

Page 1 of 3

## Report on the Internal Financial Controls with reference to Consolidated Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2024, we have audited the internal financial controls with reference to financial statements of Ivalue Infosolutions Limited (formerly known as Ivalue Infosolutions Private Limited) (hereinafter referred to as "the Holding Company") as of that date. Reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of the adequacy of the internal financial controls with reference to financial statements is not applicable to the subsidiary company incorporated in India namely ASPL Info Services Private Limited, pursuant to MCA notification GSR 583(E) dated 13 June 2017.

## Management's Responsibility for Internal Financial Controls

2. The Board of Directors of the Holding Company, which is a company incorporated in India, is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

## Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Price Waterhouse & Co Chartered Accountants LLP, 252, Veer Savarkar Marg, Shivaji Park, Dadar (West) Mumbai – 400 028

## Annexure A to Independent Auditor's Report

Referred to in paragraph 17(h) of the Independent Auditor's Report of even date to the members of Ivalue Infosolutions Limited (formerly known as Ivalue Infosolutions Private Limited) on the consolidated financial statements for the year ended March 31, 2024

Page 2 of 3

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system with reference to consolidated financial statements.

### Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that **receipts and expenditures** of the company are being **made only** in accordance with authorisations **of management and directors** of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Page 3 of 3

### Opinion

8. In our opinion, the Holding Company which is a company incorporated in India, has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

**Background**

IVALUE INFOSOLUTIONS LIMITED (Formerly known as IVALUE INFOSOLUTIONS PRIVATE LIMITED) (the "Company") is a public limited company incorporated and domiciled in India and it is the Parent Entity for the IValue Group (the "Group"). The registered office of the Company is located at No. 903/1/1, 15th Main Road, 4th Sector, HSR Layout, Bangalore - 560 102. The Group provides Digital Assets protection and Data, Network & Application (DNA) management with associated services through channel networks with various direct OEM partnerships. Key verticals are BFSI vertical, eGovernance projects, ITeS vertical, Telecom, Manufacturing, Education and Hospitality vertical (Categorized as i) Digital Asset Management and Protection and (ii) Software and Allied Support). The Group's registered office is in Bangalore and it has branches across India and outside India (Singapore, Kenya and Bangladesh).

**1 Summary of accounting policies**

**Material Accounting Policies**

**(a) Basis of preparation**

This Note provides a list of the material accounting policies adopted in the preparation of the consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated. The financial statements are for the group consisting of IVALUE INFOSOLUTIONS LIMITED (Formerly known as IVALUE INFOSOLUTIONS PRIVATE LIMITED) (the "Company") and its subsidiaries.

**(i) Compliance with Ind AS**

These financial statements are the consolidated financial statements of the Group. The consolidated financial statements comply in all material aspects with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

**(ii) Historical cost convention**

The consolidated financial statements have been prepared on a historical cost basis, except for the following:  
- Certain financial assets and liabilities (including derivative instruments) that is measured at fair value.  
- Share based payments.

**(iii) New and amended standards adopted by the Group**

The Ministry of Corporate Affairs has vide notification dated 31 March 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the "Rules") which amends certain accounting standards, and are effective 1 April 2023.

The Rules predominantly amend Ind AS 12, Income taxes, and AS 1, Presentation of financial statements and Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors. The other amendments to Ind AS notified by these rules are primarily in the nature of clarifications.

These amendments are not expected to have a material impact on the Group in the current or future reporting years and on foreseeable future transactions. Specifically, no changes would be necessary as a consequence of amendments made to Ind AS 12 as the Group's accounting policy already complies with the now mandatory treatment.

**(iv) Current - Non current classification:**

All the assets and liabilities have been classified as current and non-current as per the Group's normal operating cycle and other criteria as set out in Division II of Schedule III to the Companies Act, 2013. Based on the nature of the Group's business and the time between acquisition of assets for trading and their realisation in cash and cash equivalents, the group has ascertained its operating cycle as twelve months for the purpose of classification of the assets and liabilities into current and non-current.

**(b) Basis of Consolidation**

**(b)(i) Subsidiaries:**

Subsidiaries are all entities over which the group has control. The group controls an entity where the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the group.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

**(b)(ii)** The group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

When the group ceases to consolidate because of a loss of control, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognised in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognised in other comprehensive income in respect of that entity are accounted for as if the group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in other comprehensive income are reclassified to profit or loss.

**(c) Foreign currency translation**

**(i) Functional and Presentation Currency**

Items included in the consolidated financial statements of the each of the group's entities are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The consolidated financial statements are presented in Indian Rupee (Rs), which is the Company's functional and presentation currency. The functional currency of Asia iValue Pte. Ltd. is USD and that of ASPL Info Services Private Limited is Rs. The functional currency of the branches is Rs.

**(ii) Transactions and balances**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. At the year-end, monetary assets and liabilities denominated in foreign currencies are restated at the year - end exchange rates. The exchange differences arising from settlement of foreign currency transactions and from the year-end restatement are recognised in profit and loss. Foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis within 'Other Income'/'Other Expenses'. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

**(iii) Group companies**

The results and financial position of foreign operations (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- assets and liabilities are translated at the closing rate at the date of that balance sheet
- income and expenses are translated at average exchange rates, and
- All resulting exchange differences are recognised in other comprehensive income.

IVALUE INFOSOLUTIONS LIMITED  
(Formerly known as IVALUE INFOSOLUTIONS PRIVATE LIMITED)

IVALUE

Notes forming part of the Consolidated financial statements for the year ended 31 March 2024

On consolidation, exchange differences arising from the translation of any net investment in foreign entities, and of borrowings and other financial instruments designated as hedges of such investments, are recognised in other comprehensive income. When a foreign operation is sold, the associated exchange differences are reclassified to profit or loss, as part of the gain or loss on sale.

Goodwill and fair value adjustments arising on the acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the closing rate.

**(d) (i) Revenue Recognition**

The Group recognises revenue on completion of its performance obligations at the fixed transaction prices specified in the underlying contracts or orders. There are no variable price elements arising from discounts or rebates. Where the contract or order includes more than one performance obligation, the transaction price is allocated to each obligation based on their stand-alone selling prices. These are separately listed as individual items within the contract or order. The primary areas of judgement for revenue recognition as principal versus agent are set out below under our Critical estimates and judgements and described further below for each revenue category. Revenue is only recognised to the extent that it is highly probable that significant reversal will not occur. Transaction price excludes taxes and duties collected on behalf of the government. The Group does not have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the group does not adjust any of the transaction prices for the time value of money.

**Hardware**

The Group's activities under this revenue stream comprise the sale of hardware items consists of servers, hardware security modules and authentication keys. For hardware sales, the Group acts as principal, as it assumes primary responsibility for fulfilling the promise to provide the goods and for their acceptability, is exposed to inventory risk during the delivery period and has discretion in establishing the selling price. Revenue is recognised at the gross amount receivable from the customer for the hardware provided and on a point-in-time basis when delivered to the customer.

**Software and Allied Support**

The Group's performance obligation is to fulfil customers' requirements through the procurement of appropriate software products from relevant vendors. The Group invoices, and receives payment from, the customer itself. Whilst the transaction price is set by the Group at the amount specified in its contract/order with the customer, the software licensing agreement is between the vendor and the customer. The vendor is responsible for issuing the licences and activation keys, for the software's functionality, and for fulfilling the promise to provide the licences to the customer. Therefore, the Group acts as an agent and recognizes revenue on a net basis. The Group recognises such software sales revenue on a point-in-time basis once it has satisfied its performance obligations.

Revenue from professional/technical services and renewal of service parks is recorded on a net basis as the level of inventory risk, to which the Group is exposed to, in these arrangements is negligible. The Group recognises such services revenue on a point-in-time basis once it has satisfied its performance obligations.

**IT enabled Services**

The Group's activities under this revenue stream comprises of revenue from support and maintenance contracts towards infrastructure managed services and annual services contracts.

Revenue is recognised when it transfers control over a service to the customer. Amount received towards services are reported as advances from customers until all the conditions for revenue recognition are met.

The Group acts as a principal, as it assumes primary responsibility for fulfilling the promise to provide the services and has discretion in establishing the service fees. Revenue is recognised at the gross amount receivable from the customer for the services provided over the period of the underlying contracts.

**(ii) Costs to fulfill contracts**

The Group recognizes contract fulfilment cost as an asset if those costs specifically relate to a contract or to an anticipated contract, the costs generate or enhance resources that will be used in satisfying performance obligations in future; and the costs are expected to be recovered.

Notes forming part of the Consolidated financial statements for the year ended 31 March 2024

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs
- restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Group is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life

Payments associated with short-term leases and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less.

**(g) Business Combinations**

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a subsidiary comprises the:

- fair values of the assets transferred
- liabilities incurred to the former owners of the acquired business
- equity interests issued by the group
- fair value of any asset or liability resulting from a contingent consideration arrangement

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date. The group recognises any non-controlling interest in the acquired entity on an acquisition-by-acquisition basis either at fair value or at the non-controlling interest's proportionate share of the acquired entity's net identifiable assets.

Acquisition-related costs are expensed as incurred.

The excess of the:

- consideration transferred
  - amount of any non-controlling interest in the acquired entity
  - acquisition-date fair value of any previous equity interest in the acquired entity
- over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

**(h) Impairment of non financial assets:**

Property, plant and equipment and intangible assets with finite life are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting year.

**(i) Cash and cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**(j) Trade receivables**

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. Trade receivables are recognised initially at the transaction price. The Group holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. As a practical expedient, the Group has not adjusted the promised amount of consideration for the effects of a significant financing component as the Group expects, at contract inception, that the period between when the Group transfers the promised good or service to a customer and when the customer pays for that good or service will be one year or less. Pursuant to paragraph 63 of Ind AS 115 "Revenue from Contract with customer".

Notes forming part of the Consolidated financial statements for the year ended 31 March 2024

(k) Inventories

Traded goods are stated at the lower of cost and net realisable value. Cost of traded goods comprises cost of purchases. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on weighted average basis. Costs are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

(l) Investments (Other than investments in Subsidiaries) and other financial assets

(i) Classification

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss)
- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments that are not held for trading, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at FVOCI.

The Group reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Recognition

Regular way purchases and sales of financial assets are recognised on trade-date, being the date on which the Group commits to purchase or sale the financial asset.

(iii) Measurement

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

(iii) (a) Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in Other Income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other gains/(losses). Impairment losses are presented as separate line item in the statement of profit and loss.
- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net within other Income/(other expenses) in the period in which it arises. Interest income from these financial assets is included in other income.

(iii) (b) Equity instruments

The Group subsequently measures all equity investments at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment. Dividends from such investments are recognised in profit or loss as other income when the Group's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in Other Income/(Other Expenses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

**(iv) Impairment of financial assets**

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

**(v) Derecognition of financial assets**

A financial asset is derecognised only when

- the Group has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Group has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the Group has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

**(vi) Interest income on bank deposits and unwinding of interest on security deposits paid**

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of financial instrument, where appropriate, to the gross carrying amount of the financial asset. When calculating EIR the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider expected credit losses.

**(m) Property, Plant and Equipment**

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting year in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate the cost of the assets, net of their residual values, over their estimated useful lives. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting year. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other income/(other expenses). Estimated useful life of assets used for depreciation is as follows:

**Nature of asset**

- Computers - 3 years
- Office equipment- 5 years
- Furniture and fixtures - 5 to 10 years
- Vehicles- 5 to 8 years
- Networks and Servers - 6 years
- Demo equipment's - 4 years

The estimated useful lives of furniture and fixtures and vehicles is lower than the useful life prescribed under Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets.

**(n) Intangible Assets**

**(i) Goodwill**

Goodwill on acquisitions of subsidiaries is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold.

Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose. The units or groups of units are identified at the lowest level at which goodwill is monitored for internal management purposes, which in our case are the operating segments.

**(ii) Computer Software**

Computer Software has a finite useful life and are stated at cost less accumulated amortisation and accumulated impairment losses, if any.

Software for internal use, which is primarily acquired from third-party vendors is capitalised. Subsequent costs associated with maintaining such software are recognised as expense as incurred. Cost of software includes license fees and cost of implementation/system integration services, where applicable.

**(iii) Amortisation Method and Period**

Computer software are amortised on a pro-rata basis using the straight-line method over their estimated useful life of 5 years, from the date they are available for use. Amortisation method and useful lives are reviewed periodically including at each financial year end.

**(o) Trade and other payables**

These amounts represent liabilities for goods and services provided to the Group prior to the end of the financial year which are unpaid. The amounts are unsecured. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting year. They are recognised initially at their transaction value which represents their fair value and subsequently measured at amortised cost using the effective interest method.

**(p) Vendor programs**

Funds received from vendors for product rebates and marketing/promotion programs are recorded as adjustments to product costs, according to the nature of the program. The Group accrues rebates or other vendor incentives as earned based on purchase of qualifying products or as services are provided in accordance with the terms of the related program.

**(q) Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Where the terms of a financial liability are renegotiated and the entity issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognised in profit or loss, which is measured as the difference between the carrying amount of the financial liability and the fair value of the equity instruments issued.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting year. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting year with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting year and before the approval of the consolidated financial statements for issue, not to demand payment as a consequence of the breach.

**(r) Provisions and contingencies**

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting year.

A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of the amount cannot be made.

**(s) Employee benefits**

**(I) Short term obligation:**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting year and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**(II) Other long-term employee benefit obligations**

The Group has liabilities for earned leave that are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. These obligations are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting year using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting year that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting year, regardless of when the actual settlement is expected to occur.

**(III) Post-employment obligations:** The group operates the following post-employment schemes:

**(i) Defined benefit plans such as gratuity:**

The liability recognised in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting year. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting year on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

**(ii) Defined contribution plans**

The Group pays provident fund contributions to publicly administered provident funds as per local regulations. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

**(IV) Share-based payments**

Share-based compensation benefits are provided to employees via share appreciation rights. Liabilities for the Group's share appreciation rights are recognised as employee benefit expense over the relevant service period. The liabilities are remeasured to fair value at each reporting date and are presented as employee benefit obligations in the balance sheet.

**(V) Bonus plans**

The Group recognises a liability and an expense for bonuses. The Group recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

**(t) Earnings per share**

**(i) Basic earnings per share**

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Group
- by the weighted average number of equity shares outstanding during the financial year

**(ii) Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**(u) Events after Reporting Date**

Where events occurring after balance sheet date provide evidence of conditions that existed at the end of reporting year, the impact of such events is adjusted in consolidated financial statements. Otherwise, events after balance sheet date of material size or nature are only disclosed.

**(v) Rounding of amounts**

All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

**Other Accounting Policies**

**(w) Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker, who is responsible for allocating resources and assessing the performance of the operating segments. The board of directors of the Group assess the financial performance and position of the group and make strategic decisions and therefore are identified as chief operating decision makers. Refer note 40 for segment information.

**(x) Other income - Custom Duty Credit Scrip**

The discount on Custom Duty Credit Scrip is recognised on purchase of such Scrip.

**(y) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

**IVALUE INFOSOLUTIONS LIMITED**

(Formerly known as IVALUE INFOSOLUTIONS PRIVATE LIMITED)

**IVALUE**

Notes forming part of the Consolidated financial statements for the year ended 31 March 2024

**(z) Derivative Instruments**

Derivatives are only used for economic hedging purposes and not as speculative investments. Derivatives do not meet the hedge accounting criteria and hence they are classified as 'held for trading' for accounting purposes and are accounted for at FVPL. They are presented as current assets or liabilities to the extent they are expected to be settled within 12 months after the end of the reporting year. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting year.

**(aa) Borrowing costs**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the year in which they are incurred.

**(ab) Contributed equity**

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

2a Change in Accounting Policy - Revenue Recognition

The IFRS (Interpretations Committee) (IFRIC) issued an agenda decision in May 2022 on the recognition of the revenue from the resale of software licenses under IFRS 15 - Revenue from contracts with customers. It was clarified by the IFRIC that pre-sale advice provided to the customers takes place prior to a contract with a customer for the sale of software license and therefore it is not considered as part of the assessment of whether the intermediary is acting as principal in the arrangement between the intermediary and the vendor to deliver software license to the end customer. ESMA (European Securities and Markets Authority) published an enforcement decision in October 2023 on a similar matter re-emphasising the principles laid out by IFRIC. Considering the above clarifications, many IFRS reporters in the software reseller industry revisited their accounting practice of recognising revenue from sale of licenses on a gross basis and adopted net basis of accounting.

The group previously accounted for revenue in relation to software and allied support on a principal basis. The group has reassessed its accounting policy on revenue recognition for software and allied support under Ind AS 115 "Revenue from contract with customers" considering the additional guidance/clarifications issued by global standard setter/regulators which is also relevant for interpretation of Ind AS notified under Section 133 of the Companies Act, 2013 (Companies (Indian Accounting Standards) Rules, 2015). The aforesaid clarifications provided further guidance on the "control" criteria which is used by the Group to determine whether it acts as a principal or as an agent in relation to sale of software licenses. Considering that (i) pre-sale advice cannot be considered as part of the principal versus agent assessment, (ii) the software developers/vendors remain the primary obligors to fulfill the performance obligation related to the sales of software licenses and allied support and (iii) the group has only insignificant inventory risk, the Group concluded that it acts as an agent in respect of software and allied support and decided to change its accounting treatment from gross basis to net basis for such arrangements. As prescribed in Ind AS 8- "Accounting policies, changes in accounting estimates and errors", the Group applied this accounting treatment change retrospectively, so that the prior year and current year are presented consistently.

The impacts of this change in accounting treatment on the financial statements are as follows:

(Rs. In Lakhs)

Particulars	Before Change in Accounting Treatment		Impact of change in Accounting		After Change in Accounting Treatment	
	As at 31 March 2024	As at 31 March 2023	As at 31 March 2024	As at 31 March 2023	As at 31 March 2024	As at 31 March 2023
<b>Revenue from operations (A)</b>

<b>Gross Margin (D) = (A) - (B) - (C)</b>	<b>21,946</b>	<b>18,021</b>	-	-	<b>21,946</b>	<b>18,021</b>
<b>Other current assets</b>						
Stock-in-trade	4,134	15,396	(1,430)	(6,387)	2,704	9,009
Cost to fulfill contracts	-	-	1,430	6,387	1,430	6,387

This change in accounting Treatment has no impact on the Group's net income, earnings per share or on the cash flows.

**2b Critical estimates and judgements**

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involve a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

**(i) Revenue recognition – Principal versus agent:**

Under IndAS 115, Revenue from Contracts with Customers, when recognising revenue, the Group is required to assess whether its role in satisfying its various performance obligations is to provide the goods or services itself (in which case it is considered to be acting as principal) or arrange for a third party to provide the goods or services (in which case it is considered to be acting as agent). Where it is considered to be acting as principal, the Group recognises revenue at the gross amount of consideration to which it expects to be entitled. Where it is considered to be acting as agent, the Group recognises revenue at the amount of the margin which it expects to be entitled.

To determine the nature of its obligation, the standard primarily requires that an entity shall:

(a) Identify the specified goods or services to be provided to the customer

(b) Assess whether it controls each specified good or service before that good or service is transferred to the customer by considering if it:

- a. is primarily responsible for fulfilling the promise to provide the specified good or service
- b. has inventory risk before the specified good or service has been transferred to a customer
- c. has discretion in establishing the price for the specified good or service.

Judgement is therefore required as to whether the Group is a principal or agent against each specified good or service, noting that a balanced weighting of the above indicators may be required when making the assessment. The specific judgements made for each revenue category are discussed in the accounting policy for revenue recognition.

**(ii) Impairment of trade receivables:**

Impairment of trade receivables is primarily estimated based on prior experience with and the past due status of receivables, based on factors that include ability to pay and payment history. The assumptions and estimates applied for determining the provision for impairment are reviewed periodically.

**(iii) Estimation of Provision for Inventory**

The Group's inventory levels are based on the projections of future demand and market conditions. Any sudden decline in demand and/or rapid product improvements and technological changes could cause us to have excess and/or obsolete inventory. On an ongoing basis, the Group reviews for estimated excess or obsolete inventory and makes appropriate provision to inventory to bring to its estimated net realizable value based upon forecasts of future demand and market conditions.

**(iv) Share-based payments**

The fair valuation of employee share appreciation rights requires use of certain assumptions and estimates as given in Note 41.

"0" denotes that the amounts are below rounding off convention in the Consolidated Financial Information.

VALUE INFOSOLUTIONS LIMITED  
(Formerly known as IVALUE INFOSOLUTIONS PRIVATE LIMITED)  
Notes forming part of the Consolidated financial statements

3c. Impairment of Goodwill

Goodwill was recognised on acquisition of 70% in ASPL Info Services Private Limited in the previous year ended March 31, 2024. The Group has considered this subsidiary as a Cash Generating Unit (CGU) for the purposes of evaluating the impairment on Goodwill.

Goodwill	As at 31 March 2024	As at 31 March 2023
REVENUE	31%	31%
Gross Margin (%) (for a period of next 5 years)	35%	37%
Employee Benefits (%) (for a period of next 5 years)	26%	22%
Long-term growth rate (%)	2%	2%
Pre-tax discount rate (%)	14%	14%

Management has determined the values assigned to each of the above key assumptions as follows:

Assumption	Approach used to obtain this assumption
Revenue	The group after acquisition of ASPL has displayed a growth of ~15% in the first year of its acquisition. During the year, the group has been working towards the integration of the CGU with iValue's core operations and hence the management believes that the revenues can grow by 31% over the next 5 years.
Gross Margins	The group believes that cost structure shall remain on a similar basis. Hence the gross margin shall be on similar lines to that of the Revenue growth.
Employee Benefits	The group believes that operating model of the group does not change. However it assumes a 2% productivity year on year on the man power present. Hence the growth in the manpower is slightly lower by 2% over the growth in the sales over the next 5 years.
Long term growth rate	This is the weighted average growth rate used to extrapolate cash flows beyond the budget period. The rates are consistent with forecasts included in industry reports.
Weighted Average Cost of Capital	The cost of equity has been considered as 16% and cost of debt of 9% taking the weighted averages, the group derived a Weighted average cost of capital of 14%

Notes forming part of the Consolidated financial statements

**Significant estimate - Impairment charge**

As of 31st Mar 2024, the recoverable amount from this CGU is expected to exceed its carrying amount by Rs.1560 Lakhs. Hence no provision for impairment has been made.

**Significant Change - impact of the possible changes in key assumptions**

The recoverable amounts of the CGU will equal to the carrying amounts if the key assumptions were to change as follows:

Assumptions	As at 31 March 2024		As at 31 March 2023	
	From	To	From	To
Revenue	31%	29%	31%	29%
Gross Margin (%) (for a period of next 5 years)	35%	31%	37%	36%
Employee Benefits (%) (for a period of next 5 years)	26%	35%	22%	25%
Long-term growth rate (%)	2%	0%	2%	0%
Pre-tax discount rate (%)	14%	24%	14%	16%

**4. Leases**

This note provides information for leases where the Group is a lessee. The Group has entered into operating lease arrangements for office premises, furniture and fixtures and vehicles. The leases are non-cancellable and are for a period of 36 to 108 months and may be renewed for a further period based on mutual agreement of the parties. The lease agreements provide for an increase in the lease payments by 5% to 10% every year.

(i) The balance sheet shows the following amounts relating to leases:

Right-of-use assets	[Rs. in Lakhs]	
	As at 31 March 2024	As at 31 March 2023
Building	2,932	2,895
Furniture and fixtures		12
Vehicles	75	49
	<b>3,007</b>	<b>2,956</b>

IVALUE INFOSOLUTIONS LIMITED  
(Formerly known as IVALUE INFOSOLUTIONS PRIVATE LIMITED)

Notes forming part of the Consolidated financial statements

(ii) The Breakup of current and non-current lease liabilities;

Particulars	As at	
	31 March 2024	31 March 2023
Current lease liabilities	606	303
Non-current lease liabilities	2,566	2,622
<b>Total</b>	<b>3,172</b>	<b>2,925</b>

(iii) The statement of profit or loss shows the following amounts relating to leases:

	As at	
	31 March 2024	31 March 2023
Depreciation charge of right-of-use assets (Building, furniture and fixtures and vehicles)	553	299
Interest expense (included in finance costs)	273	123
Expense relating to short-term leases (included in other expenses)	76	43

The total cash outflow for leases for the year is Rs. 717 Lakhs (31 March 2023 was Rs.373 Lakhs).

iv) Extension and termination options

Extension and termination options are included in a number of Building and Furniture leases. These are used to maximise operational flexibility in terms of managing the assets used in the Group's operations. The majority of extension and termination options held are exercisable based on mutual consent.

v) Variable Lease Payments

The Group has not entered into any variable lease agreements.

32. Financial Instruments

A) Capital Management

The Group's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholder and benefit for other stakeholders and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

Particulars	As At 31 March 2024	As At 31 March 2023
Total Receivables + Total lease liabilities	7,531	7,971
Less: Cash and Cash Equivalents	12,728	6,083
Net Debt	(5,197)	1,888
Equity	3,053	29,929
Total Capital (Equity + Net Debt)	31,816	31,817
Total Capital as a % of Total Assets	14%	8%

No changes were made to the objectives, policies or processes for managing capital during the years ended 31 March, 2024 and 31 March, 2023.

Under the terms of certain borrowing facilities, the Group is required to comply with the certain financial covenants. The Group has complied with these covenants throughout the reporting year.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

VALUE INFOSOLUTIONS LIMITED  
(formerly known as VALUE INFOSOLUTIONS PRIVATE LIMITED)

Notes forming part of the Consolidated financial statements

Financial assets and liabilities measured at fair value - recurring fair value measurements

Financial assets and liabilities measured at fair value - recurring fair value measurements

At 31 March, 2023	Notes	Level 1	Level 2	Level 3
<b>Financial investments at FVPL</b>				
Current				
Current Investment	3		1,115	
<b>Total Financial Assets</b>			<b>1,115</b>	
<b>Financial Liabilities</b>				
Current				
Derivative Liabilities (Foreign currency forward contracts)	20			
<b>Total Financial Liabilities</b>				<b>67</b>

**Assets and Liabilities which are measured at amortised cost for which fair values are disclosed as at 31 March 2023 and 31 March 2024**

The carrying amount of loan to employees, rent deposits, electricity deposits, deposit with banks, trade receivables, vendor receivables, cash and cash equivalents, receivable from related party, interest receivable, other deposits, borrowings, trade payables, and other payable are considered to be the same as fair value due to their short term nature.

Level 1: Hierarchy includes financial instruments measured using quoted prices. This includes mutual fund units for which the fair value is based on net asset value of the scheme as disclosed by the mutual fund house.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Group's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting year.

(ii) Valuation techniques used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the fair value of forward foreign exchange contracts is determined using forward exchange rate at the balance sheet date
- the fair value of mutual fund units is based on net asset value of the scheme as disclosed by the mutual fund house

All of the resulting fair value estimates are included in level 1, 2 or 3

VALUE

(Rs. in lakhs)

C) Financial Risk Management

The Group's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk. The Group's risk management is carried out by its Capital Treasury department under policies approved by the Board of Directors. The Senior management of the Group oversees the management of the risks. The board has taken all necessary actions to mitigate the risks identifying both the information and situation present.

(a) Market Risk

(i) Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates is primarily to the Group's operating activities (which revenue or expense is denominated in foreign currency). The Group evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies.

(ii) Foreign currency risk exposure:

The Group's exposure to foreign currency risk at the end of the reporting year expressed in Rs Lakhs, are as follows:

Liabilities	Foreign Currency (FC)	As At 31. March 2024	As At 31. March 2023
<b>Trade Payables</b>			
USD	\$	30,015	23,421
EURO	€	310	230
GBP	£	-	236

IN/AED - decrease by 8% (31 March 2023 - 8%)*	2		0	
* Holding all other variables constant				

iii) Interest Rate Risk

The Group's main interest rate risk arises from borrowings with variable rates, which expose the group to cash flow interest rate risk. During 31 March 2024 and 31 March 2023, the Group's borrowings at variable rate were mainly denominated in INR.

(a) Interest rate risk exposure

The exposure of the Group's borrowings to interest rate changes at the end of the reporting year are included in the table below. At the end of the reporting year, the Group has the following variable rate borrowings:

Particulars	As At 31 March 2024		As At 31 March 2023	
	Weighted average interest rate	Amount	Weighted average interest rate	Amount
Borrowings from banks	7%	4,513	6%	3,048

Interest rate sensitivity analysis

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

Particulars	Interest rate and its impact on equity	
	As At 31 March 2024	As At 31 March 2023
Interest rates - increase by 100 basis points (Holding all other variables constant)	(93)	(53)
Interest rates - decrease by 100 basis points (Holding all other variables constant)	42	51

VALUE INFOSOLUTIONS LIMITED  
(Formerly known as VALUE INFOSOLUTIONS PRIVATE LIMITED)

Notes forming part of the Consolidated financial statements

VALUE

(Rs. in Lakhs)

(b) Credit Risk: Credit risk is the risk that the counter party will not meet its obligation under a financial instrument, leading to a financial loss. The Group is exposed to credit risk from trade receivables, deposit with banks, derivative assets, loan to employees, rent deposits, electricity deposits, vendor receivables and other deposits.

i) Trade Receivables: Customer credit risk is managed by each business unit subject to the Group's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating review and individual credit limits are defined in accordance with this assessment. The Group regularly monitors its outstanding customer receivables.

ii) Impairment analysis is performed at each reporting date on trade receivables by lifetime expected credit loss method based on provision matrix. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Group evaluates the concentration of risks with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in a few independent markets.

iii) Deposits with banks and other financial assets: Credit risk from balances with banks and financial institutions is managed by the Group's finance department in accordance with the Group's policy. Investments of surplus funds are made in bank deposits. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counter party's potential failure to make payments. The Group establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables. Balances with banks are subject to low credit risks due to good credit ratings assigned to these banks.

Expected credit loss for trade receivables

Ageing as at 31 March 2024	Unbilled*	Not Due*	Less than 6 months	6 months - 1 year	1-2 years	2-3 years	More than 3 years	Total
Gross carrying amount not considered for ECL - Trade receivable (a)*		75	768	683	145	759	23	3,052
Provisioning amount considered for ECL - Trade receivable (b)	104	48,984	13,268	1,506	1,154	54	90	1,65,562
Expected credit loss	0%	0%	3%	2%	25%	100%	100%	
Expected credit losses (Loss allowance provision) - Trade receivables [(c) = (a) x (d)]		30	191	26	282	54	90	694
Carrying amount of trade receivables (net of impairment) [(e) = (a)-(b)-(d)]	104	49,009	14,346	2,271	1,003	759	13	67,321
Ageing as at 31 March 2023	Unbilled*	Not Due*	Less than 6 months	6 months - 1 year	1-2 years	2-3 years	More than 3 years	Total
Gross carrying amount not considered for ECL - Trade receivable (a)*		119	293	8	7			324
Provisioning amount considered for ECL - Trade receivable (b)	8	51,572	11,537	3,172	1,035	61	113	76,005
Expected credit loss	0%	0%	2%	2%	13%	92%	100%	
Expected credit losses (Loss allowance provision) - Trade receivables [(c) = (b) x (d)]			335	47	132	60	119	649
Carrying amount of trade receivables (net of impairment) [(e) = (a)-(b)-(d)]	8	51,662	14,425	2,333	907	1	0	70,166

\*The Group has determined that provision for Expected Credit Losses (ECL) on "Unbilled" and "Not Due" categories and certain trade receivables is not material and hence the same is not considered for the purpose of ECL based provisioning.

Loss allowance on 31 March 2023	691
Changes in loss allowance	673
Loss allowance on 31 March 2024	1,364

(c) Liquidity risk  
 Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at reasonable prices. The Group's objective is to at all times maintain optimum levels of liquidity to meet its cash and liquidity requirements. The Group closely monitors its liquidity position and employs a robust cash management system. It maintains adequate source of financing through the use of short term bank deposits, short term investments and cash credit facility. Procedures and policies relating to such risks are overseen by senior management. Management monitors the Group's liquidity position through rolling forecasts on the basis of expected cash flows. The Group assessed the concentration of risk with respect to its debt and concluded it to be very low.  
 The Group has undrawn loan based borrowing facilities of Rs. 5,673 lakhs (31 March 2023 - Rs. 3,024 lakhs).

Maturity profile of financial liabilities

The table below provides the details regarding the remaining contractual maturities of financial liabilities at the reporting date:

VALUE INFO SOLUTIONS LIMITED  
(Formerly known as VALUE INFO SOLUTIONS PRIVATE LIMITED)  
Notes forming part of the Consolidated financial statements

ivalue  
(Rs. in Lakhs)

31. Employee benefits

(a) Post-employment obligations:

**Gratuity:** The Group provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination to the employees is the employees last drawn basic salary multiplied for 15 days salary multiplied for the number of years of service. The gratuity plan is unfunded.

**Methodology for actuarial valuation of Defined benefit Obligations:**

The Projected Unit Credit (PUC) actuarial method has been used to assess the plan's liabilities, including those related to death-in-service and incapacity benefits. Under PUC method a projected accrued benefit is calculated at the beginning of the year and again at the end of the year for each benefit that will accrue for all active members of the plan. The projected accrued benefit is based on the plan's accrual formula and upon service as of the beginning or end of the year, but using a member's final compensation, projected to the age at which the employee is assumed to leave active service. The plan liability is the actuarial present value of the projected accrued benefits for active members.

Defined benefit plans expose the Group to actuarial risks such as Interest Rate Risk, Salary Risk and Demographic Risk.

**Interest Rate Risk:** While calculating the defined benefit obligations a discount rate based on government bonds of matching tenure is used to arrive at the present value of future obligations. If the bond yield falls, the defined benefit obligation will tend to increase.

**Salary Risk:** Higher than expected increases in salary will increase the defined benefit obligation.

**Demographic Risk:** This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligations is not straight forward and depends on the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefits of a short-tenure employee typically costs less per year as compared to a long-tenure employee.

(b) Leave obligations

The leave obligations cover the Group's liability for earned leave/privileges (leave upto a maximum of 30 days which is payable/entailable as per the policy on their separation and which are classified as other long-term benefits). The entire amount of the provision of Rs 63 lakhs (31 March 2023 - 57 lakhs) is presented as current, since the Group does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the Group does not expect all employees to avail the full amount of accrued leave or require payment for such leave within the next 12 months.

Particulars	As at	As at
	31 March 2024	31 March 2023
Leave obligations not expected to be settled within the next 12 months	44	49

(c) Defined Contribution plan:

The Group also has certain defined contribution plans. Contributions are made to Provident Fund and Employees State Insurance Scheme/Fund for employees at fixed percentage of salary. The contributions are made to registered provident fund administered by the government. The obligation of the Group is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is as below:

Particulars	As at	As at
	31 March 2024	31 March 2023
Employer's contribution towards Provident Fund	153	156
Employees' State Insurance Corporation	1	0
Labour Welfare Fund	0	0

**iv. Actuarial Assumptions:**

Principal assumptions used for actuarial valuation are as below:

Particulars	Gratuity	
	Year ended 31 March 2024	Year ended 31 March 2023
Discount rate	7%	7%
Salary Escalation	7%	7%
Mortality Rate	Indian Assured Lives Mortality (2012-14)	Indian Assured Lives Mortality (2012-14)
Withdrawal rate	Graded rates from Age 40 - 17.50%, From Age 45 - 11.67%, From Age 50 - 5.83%, From Age 55 - 2%	Graded rates from Age 40 - 17.50%, From Age 45 - 11.67%, From Age 50 - 5.83%, From Age 55 - 2%
Weighted average duration of the defined benefit obligation	5.7	6.7

**ASPL**

Particulars	Gratuity	
	Year ended 31 March 2024	Year ended 31 March 2023
Discount rate	7%	7%
Salary Escalation	5%	6%
Mortality Rate	Indian Assured Lives Mortality (2012-14)	Indian Assured Lives Mortality (2012-14)
Withdrawal rate	Graded rates from Age 50 - 45.87%	Graded rates from Age 50 - 65.87%
Weighted average duration of the defined benefit obligation	3	2

v. Sensitivity Analysis

The sensitivity of the defined benefit obligation due to changes in the principal assumptions is as follows:

Particulars	Gratuity	
	Year ended 31 March 2024	Year ended 31 March 2023
Due to Changes in discount rate		
a) Impact due to increase by +100 basis points	(100)	(137)
b) Impact due to decrease by -100 basis points	11	12
Due to Changes in salary incremental rates		
a) Impact due to increase by +100 basis points	10	11
b) Impact due to decrease by -100 basis points	(6)	(10)

\* Sensitivities due to mortality and withdrawal are not material & hence impact of change not calculated. Sensitivities as to rate of inflation, rate of increase of pension in payment, rate of increase of pensions before retirement and life expectancy are not applicable being a lump sum benefit on retirement.

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and change in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting year) has been applied as when calculating the defined benefit liability recognised in the balance sheet. The methods and types of assumptions used in preparing this sensitivity analysis did not change compared to the prior period.

vi. Maturity Profile

Particulars	Gratuity	
	Year ended 31 March 2024	Year ended 31 March 2023
Within 1 year	27	29
1 to 5 Year	180	85
6 to 10 year	127	55
Above 10 years	105	31

Additional Information to the Financial Statements

34 a) Contingent liabilities

Particulars	As at 31 March 2024	As at 31 March 2023
Claims against the Group not acknowledged as debt		
Customs	383	169
-The group has ongoing disputes with various Customs Authorities mainly pertaining to incorrect classification of imported materials, for the purpose of computation of custom duty. -In respect of above, it is not practicable for the group to estimate the timings of cash outflows, if any, pending resolution of the respective proceedings. The group does not expect any reimbursements in respect of the above.		

b) Commitments:

i) Capital commitments (net of advance):

There are no Capital expenditure contracted for at the end of the reporting year or as at 31 March 2023

ii) Other Commitments:

There are no other commitments at the end of the reporting year or as at 31 March 2023

Additional Information to the Financial Statements

36 IVALUE INFOSOLUTIONS LIMITED (Formerly known as IVALUE INFOSOLUTIONS PRIVATE LIMITED) (Transferee Company) and iUnite Technologies Private Limited (Transferor Company) had filed an application under Section 230 to 232 of the Companies Act, 2013 in the matter of Scheme of Amalgamation on 14th December 2020 before the National Company Law Tribunal, Bengaluru Bench ("NCLT"). Group had received an order dated June 8, 2022 whereby NCLT had approved the above scheme and hence the balances of the transferor company was included in the financial statements of the transferee company during the year ended 31 March 2023 from the effective date as per the order. Considering that the acquisition of group of assets acquired pursuant to the amalgamation did not constitute a business, the group identified and recognised the individual identifiable assets acquired (Rs 724 lakhs) and liabilities assumed (Rs 700 lakhs) as at the effective date and recorded excess of assets acquired over liabilities assumed of Rs 24 lakhs as "Capital contribution" under "Other Equity".

37 Corporate social responsibility expenditure

<b>Total</b>	<b>4,933</b>	<b>4,615</b>

iii) Revenues of approximately Rs 22,486 lakhs is derived 10% or more individually during the year ended 31 March 2024 from two external customers mainly from India. Revenues of approximately Rs 22,953 lakhs is derived 10% or more individually from two external customers mainly from India during the year ended 31 March 2023.

**41 Share based payment Share appreciation rights (SAR):**

The Company has granted 2,55,300 SAR to certain eligible employees till March 31, 2024. Of these 52,200 SAR have been granted in the current year. These are split into 40% linked to retention condition and 60% linked to performance condition. Out of these 45,879 SAR lapsed, 1,34,613 SAR vested and 74,808 SAR are yet to be vested as on March 31, 2024. These SAR have a strike price of Rs 10 and Rs 700.

The retention linked SAR shall vest at end of one year from the Relevant Date of the Grant. The performance linked SAR shall vest equally over a period of five years.

The vested SAR can be exercised by the eligible employees up on the occurrence of a liquidity Event, as may be decided by the Compensation Committee, from time to time.

For the SAR's issued in the current year the date of grant of option is 03 October 2023 and the expiry of option is 31 March 2028 and for the SAR's issued in previous year the date of grant of option is 02 March 2023 and date of expiry of option is 31 March 2027 and for the SAR's issued in earlier years the date of grant of option is 12 October 2021 and date of expiry of option is 31 March 2026.

The expenses towards SAR's is computed by determining the present value of the accrued benefit to the employees using the black-scholes model of valuation. Total expenses arising from share-based payment transactions has been recognised in profit or loss as part of employee benefit expense. Refer Note 27. The expenses pertaining to the vested portion of the SAR's are shown as current liabilities and the expenses pertaining to the non-vested portion are shown as non-current liabilities.

The liability is remeasured at each balance sheet date and changes to the carrying amount of the liability is recognised in the Statement of Profit and Loss.

The fair value of the SAR's was determined using the Black-Scholes model using the following inputs at the grant date and as at 31 March 2024:

Particulars	As at 31 March 2024	As at 31 March 2023
Share price at measurement date (Rs per share)	792	752
Expected volatility (%)	0.01%	0.01%
Risk-free interest rate (%)	6.50%	7.17%
Carrying amount of liability [see note 17 (a) and (b)] (Rs)	484	272

None of the SARs were exercised as at 31 March 2024.

**42 Details of benami property held**

There are no proceedings that have been initiated or pending against the Group for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended from time to time) (earlier Benami Transactions (Prohibition) Act, 1988) and the rules made thereunder.

**43 Willful defaulter**

The Group has not been declared willful defaulter by any bank or financial institution or other lender.

**44 Relationship with struck off companies**

The Group has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

**45 Compliance with number of layers of companies**

The Group has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with Companies (Restriction on number of Layers) Rules, 2017, and there are no companies beyond the specified layers.

**46 Utilisation of Borrowed funds and share premium**

(a) The Group has not advanced or loaned or invested funds (either borrowed funds or share premium or any other sources or kind of funds) to any other person(s) or entity(ies), including foreign entities ("Intermediaries") with the understanding (whether recorded in writing or otherwise) that the Intermediary shall

(i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the group ("Ultimate Beneficiaries"); or

(ii) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;

(b) The Group has not received any fund from any person(s) or entity(ies), including foreign entities ("Funding Party") with the understanding (whether recorded in writing or otherwise) that the Group shall

(i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries); or

(ii) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- 47 Undisclosed Income**  
The Group does not have any transaction not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income-tax Act, 1961). Further, there was no previously unrecorded income and no additional assets were required to be recorded in the books of account during the year.
- 48 Details of Crypto Currency or Virtual Currency**  
The Group has neither traded nor invested in Crypto currency or Virtual Currency during the current year or previous year. Further, the Group has also not received any deposits or advances from any person for the purpose of trading or investing in Crypto Currency or Virtual Currency.
- 49 Valuation of Property, Plant and Equipment**  
The Group has not revalued its property, plant and equipment during the current or previous year.
- 50 Borrowing secured against current assets**  
The Group has borrowings from banks on the basis of security of current assets. The quarterly returns or statements filed by the Group with such banks are in agreement with the unaudited books of account of the Group. The Group does not have borrowings from financial institutions on the basis of security of current assets.
- 51 Utilisation of Borrowings Availed from Banks and Financial Institutions**  
The borrowings obtained by the Group from banks have been applied for the purposes for which such loans were taken.
- 52 Compliance with approved scheme of arrangement**  
The Scheme of Arrangement as described in Note 36 was accounted for in the books of account of the Group in accordance with the approved Scheme and in accordance with accounting standards and there is no deviation in this regard.
- 53 Loans or advances to specified persons**  
The Group have not granted any loans or advances in the nature of loans to promoters, directors, KMFs and related parties (as defined under Companies Act, 2013) either severally or jointly with any other person, that are (a) repayable on demand; or (b) without specifying any terms or period of repayment.
